\* Subject to availability please enquire for further information.

**Shaping – What is shaping and how does it apply to me?**

Shaping provides You with the ability to avoid paying excess usage fees, should You exceed Your monthly download allowance. Intelligent IP Broadband provide You with an option of paying a flat rate charge per month, which will avoid You paying excess charges and reduce the speed of Your connection to 64Kpbs when Your download limit has been reached. If no selection is made Shaping is activated by default

- Yes, please activate Shaping on my account.
- No, I prefer to pay for any excess charges  
I agree to pay 3 cents per megabyte for all excess traffic

Payment Options			
<input type="checkbox"/>	MasterCard		
<input type="checkbox"/>	Visa	<input type="checkbox"/>	Cheque (\$2.50 charge will be added)
<input type="checkbox"/>	American Express (3% Surcharge will be added)

Intelligent IP Communications Pty Ltd (ABN 93 115 730 526)  
 Trading as Intelligent IP Broadband  
 PO Box 589, Belmont LPO WA 6984  
 or via Fax to 08 9220 3077

Terms & Conditions	
Term of Agreement:	<p>Intelligent IP Broadband defines 1 Gigabyte (GB) as 1000 Megabytes (MB)</p> <p>Intelligent IP Broadband defines Peak time as 07:00 until 23:59 and Offpeak as 00:00 to 06:59</p> <p>Should You wish to cancel Your account within the contract period You will be liable for all outstanding installation / setup costs in addition to 50% of the remaining monthly recurring.</p> <p>Intelligent IP Broadband will always aim to provide the best and most reliable service possible but cannot be held responsible for any loss of service</p> <p>Should any payments be outstanding for more than 30 days Intelligent IP Broadband reserves the right to suspend Your service. Should Your service be suspended reactivation will incur a \$65 management fee. Should You be experiencing problems that may delay payment please contact Our accounts team.</p> <p>You acknowledge that the account will not be used for any illegal/antisocial activities.</p> <p>Minimum contract length is 12 months from submission of application.</p>
Once You sign this application, we will:	<p>If Your site is found to be within line of sight of our network or is considered serviceable by us, You will receive notification from one of our representatives informing You that Your application has been accepted. We will then send You a Completion Advice. If Your application is not accepted, we will provide a report to You explaining why the service cannot be delivered and/or a quote stating any additional charges or cost required to be paid by You if we are to connect Your site to our network. Even if Intelligent IP Broadband determines Your site cannot be connected to its network then You will be charged a set fee of \$150.00 (ex GST) within 30kms of the capital city, otherwise You will be billed at our then current Time &amp; Material rates for all other areas.</p>
Completion Advice / Standard Form of Agreement :	<p>If we send You a Completion Advice, both parties will be deemed to have accepted on and from that date the terms and conditions set out in our then current Standard Form of Agreement.</p>

**DECLARATION**

By signing this application form:

1. You represent and warrant to us that all information provided by You in this form is true and accurate to the best of Your knowledge;
2. You agree to our terms and conditions;
3. You acknowledge and agree that Intelligent IP Broadband reserves the right to reject or refuse Your application for any reason whatsoever;
4. You grant us authority to initiate and process Your payment using the credit card details You have provided in this application, or to debit Your nominated bank account for payment of any and all monies due by You; and
5. You acknowledge and agree that this application form will constitute a legally binding agreement with us on and from the date that we give You our Completion Advice.
